

Family Get-Together

Support & Education group for families who have child/children with a disability.

Who We Are

Congratulations on the birth of your new baby! As with any diagnosis, you may be experiencing any array of emotions as you welcome your new baby into the world. You may have concerns, questions, fears & joys to express, and we want you to know that you are not alone. Family Get-Together group is a group of local parents who have child/children under the age of six with a disability. This group is run by parents with support of the Infant Development Program at the Boys & Girls Club. Our aim is to provide support, advocacy, resources, education and recreation for our families.

We hope you'll join us.

Meetings

Family Get-Together meets every 3rd Wednesday of the month at the Boys & Girls Club at 1295 Manitoba Street. We have a variety of spokespeople to come and speak about services available to us within the Okanagan. Meetings start at 5pm and include a meal at no cost. Bring your kids to share in the experience.

Getting Started

We know all about information overload! So, when you are ready to connect with another parent, please feel free to contact **Karen Brough** at the Boys & Girls Club at **250-493-0512 ext 113**.
